# 2018 National Gathering

## "Sustainable solutions"

Get inspired at our next National Gathering at Margam Discovery Centre, Margam Park, Port Talbot SA13 2UA on the weekend of 28-30 September 2018.

Margam Discovery Centre is an award winning state of the art, low carbon footprint building situated within Margam Park, an 850 acre country estate. Glass walls and raised external walkways give visitors the feeling of being part of the natural environment.

## What's on?

**Friday** Arrive from 4pm. Craig Bennett, Chief Executive of Friends of the Earth, will open the event at 7.30pm with his talk on 'From Local to Global.' There is an opportunity to hear from those who have been nominated for the Mike Jacob Awards. A buffet will be available from 6.30pm.

**Saturday** is a mix of workshops and presentations. Listen to inspiring speakers give 'TED style' talks, for instance, Joe O'Mahoney from Repair Café Wales.

**Sunday** world café in the morning followed by a beach clean and picnic at Kenfig Nature Reserve in the afternoon. Child friendly activities will be available in the morning, leaving you free to enjoy the world café. Children are welcome to the beach clean and picnic.

**Accommodation** is in comfortable shared ensuite rooms with four or six beds.

**Entertainment** includes optional yoga and pub quiz.

#NG2018  
@foecymrucydd

## How to get there

**By train** the nearest train station is Port Talbot Parkway. There are direct trains from Cardiff, Newport, Hereford, Shrewsbury, Crewe and Manchester, with connections at Cardiff from south and west of England.

**By car** exit M4, junction 38 and take the A48 signposted to Pyle. Pass the main gates to Margam Country Park. Just after the start of the dual carriageway you will see a brown sign on your left for Margam Discovery Centre.
